RE: Hampton Inn  
Southridge

Dear John,

I wanted to take this opportunity to thank you and your staff for the quality of work performed on the recently completed Hampton Inn at Southridge. The construction phase was performed in a very organized and time efficient manner. The resulting product is one that we are very pleased with and I believe will serve the Owner well in the years to come. Communication between Contractor, Owner and Architect were handled efficiently without excessive RFI's or unnecessary paperwork, yet thorough enough to eliminate confusion or conflict.

I enjoyed the working relationship with Jarrett Construction and look forward to other opportunities to work with you in the future. Please feel free to include Bastian & Harris, Architects as a reference for other work and be assured of a positive response.

Sincerely,
